Spot box 19x19 cm

Item number: 76859999 Grey
EAN: 5701581229884

Packaging unit 12
Material: Plastic
, Light source
Area: Indoor

The purpose of the Spot Box is to preserve the density of the moisture membrane, while maintaining recommended installation dimensions for built-in spotlights with max. 35W light bulbs. It has an adhesive edge that can be attached to the moisture membrane. It is made of self-extinguishing V plastic material.
