 Cord: 150 cm, Black
 Can the cable be replaced? Yes
 Switch on the fixture
 GU10, Max. 15W, Light source not included

Area: Indoor
 Energy class A++ - D

Pine is a decorative series in an industrial design that creates a nice contrast to the bright Nordic interior style. With the combination of the matte metal and elegant brass details, the series obtains an exclusive look. Pine gets a unique character and an innovative light experience with the small holes in the top and side of the shade, creating a beautiful effect when the light is spreading out into the room.
